ALISEO LED LUNATEC MINIMALIST

Lighted Mirror

Aliseo's mirrors are design driven and beautifully detailed. Providing fashionable reflective solutions with stylistic geometric diversity transforming any hotel or guest room into a personal design statement. All lighted mirrors use the maintenance free Eco-Smart LED technology allowing full-circle pinpoint illumination with 40% less energy consumption. A durable solid state construction provides for instantaneous illumination and almost zero heat with a lifespan of over 30,000 hours.
