

# SUPREME

## FOAM SOAP

Hygienic Touch-Free  
Economical & Efficient  
Wall Mounted

**Refillable  
Tank**

Refillable tank type system eliminates single use plastic and allows flexibility and choice for foam soap refilling.

**Economic  
& Efficient**

Foam soap flows onto your hands upon activation, reducing wastage.

**Hygienic  
Touch-Free**

Touch free reduces cross contamination to prevent transfer of germs and optional hygienic drip tray also available.

**Aesthetically  
Appealing**

Aluminium with anodised finish to complement your washroom.
