Supreme Maxi Shield

Aliseo Hair Dryer Range

Equipping
Washrooms

SPL

We offer an exclusive range of Sanela
Sensor and Piezo Soft Touch Tapware

Specific Benefits

New builds or retrofit
Provides an additional layer of protection

Prevents redecoration
Saves time and expense - no need to renovate the entire space

Easy to install
Comes with all fasteners required to fit the shield into place securely

Ultimate hair drying experience for suitable for Hotels or other communal complex

Wall Mounted, fixed wiring for security

Robust and reliable German brand

Dimensions

400W x 500H x 13D mm

Sound Level

Minus 10-12 dBA (through wall)

Warranty

12 Months on Manufacturing Defects

Colours

White, other colours on request

Power Supply

Intended for fixed wiring (hardwired)

Warranty

12 months
