

DAN DRYER

BABY CHANGE TABLE

Robust Construction

Scandinavian Aesthetic

Wall Mounted

Enhanced User Experience

Provides parents and caregivers with a safe, clean and comfortable space to change babies.

Durability for High Traffic Areas

Designed to withstand constant use in environments like malls, airports, hospitality venues, and healthcare facilities.

Low Maintenance

Easy-to-clean materials reduce the need for intensive cleaning and lower long-term upkeep costs.

Improved Hygiene & Safety

Hygienic materials and compliance with safety regulations protect users and reduce liability for facility managers.

SPL

Vertical

Colour	Matte Black, White
